Updating Your Account: Adding a License:

By adding a professional license you may gain access to additional features in the Citizen Portal. Select a license type and enter a license number to look up your professional license. Your professional license must be valid and active to add it to your citizen account. If your license does not display in the search results list please contact the city.

Your access to certain features of the Citizen Portal may be limited pending approval of your professional license.

* indicates a required field.
